Cancel by June 13 to qualify for a full refund.

## THE DIRECTORS GUILD FOUNDATION KEEPING THE VISION ALIVE

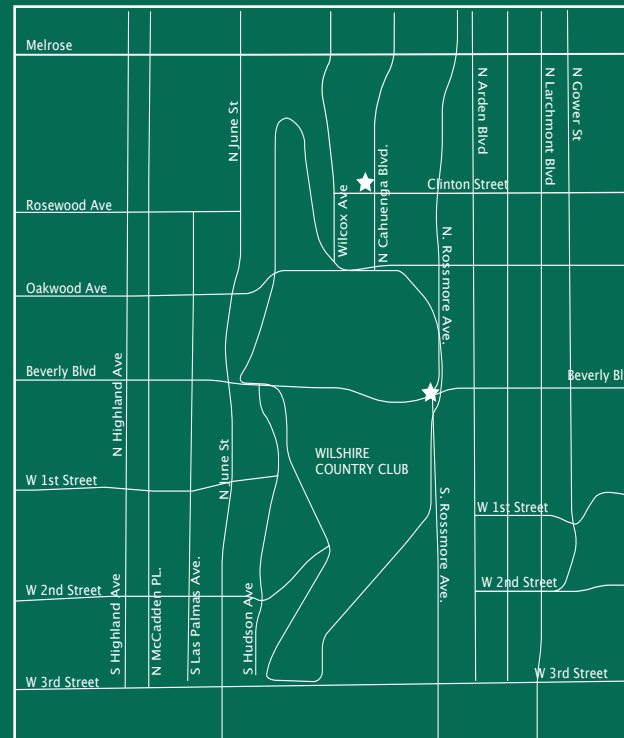

For sixty-seven years the Directors Guild Foundation has maintained a proud tradition of service by providing confidential loans to Directors Guild of America members who are facing short-term financial hardship.

Since November 2000, the Foundation has been the sole underwriter for conservation and preservation of the DGA-Motion Picture Industry Conservation Collection at UCLA. This important collection, housed at the UCLA Film and Television Archive, is composed of new prints of feature films directed by our members under DGA agreements, ensuring that our work is preserved for future generations. As a result of the Foundation's support, 1667 films have been archived to date through this program.

The Foundation heads into the 21<sup>st</sup> Century continuing its vital mission of serving DGA members in need, supporting educational programs and directly supporting organizations that are responsible for the physical health and well being of DGA members and members of the entertainment community.

The Foundation has made the difference for many in the entertainment community, but it is only able to do so through the kind and generous support of members like you. Participation in the upcoming Howard W. Koch Memorial Golf Tournament and the DGA Foundation Tennis Tournament are two enjoyable ways to support the Foundation. Your tax-deductible gifts will help your fellow DGA members when they need it most, provide opportunities for countless others in the industry, and keep the DGA Foundation vision alive.
